- 9. FOOTPATH VO53 & VO57** – The Clerk had requested an update from the Public Rights of Way Officer at Herefordshire Council who has confirmed she is awaiting a response from Ward Councillor Peter Jinman before deciding on the next course of action. The Parish Council confirmed that they currently have no further comment to make and await confirmation of any full consultation when they can make further comment. It was agreed that the Clerk would contact her again for any further updates.
- 10. VOWCHURCH COMMON ROAD SIGNS** – Balfour Beatty have advised that their technical leads team are of the opinion that there is not a suitable location for any additional sign to be installed on the U75402 due to lack of available verge width to ensure that they comply with regulations, similarly there would not be the clearance space required by regulation to allow them to install the sign to an existing post. They therefore feel that an additional sign will have little impact to road users as the existing sign is sufficient to communicate the information. The Parish Council agreed that they still want to go ahead with a sign as in their opinion it would be beneficial. It was agreed that the Clerk would contact Balfour Beatty accordingly.
- It was also noted that the Vowchurch sign on the B4348 towards Peterchurch was bent and the sign at the opposite end of the village towards Batch Hill could not be cleaned properly and both needed replacing. Clerk to contact Balfour Beatty to request new signage. Councillors also raised concerns regarding the Fairfield School junction onto the B4348 in Peterchurch. It was requested that the Clerk contact Peterchurch Parish Council to enquire if a mirror could be installed on the opposite side of the junction to increase viewing onto the main road.
