There have been a number of sheep stolen in Bredwardine and Bromyard with currently no leads to the offenders.
 - 5.2 Ward Councillor – Ward Councillor Peter Jinman was unable to attend the meeting. His report had been forwarded to Councillors, via email, prior to the meeting.

 - 5.4 Footpath Officer – Councillor May reported that she has walked some of the footpaths in Michaelchurch Escley. The route of footpath SM22 and SM22A in St Margarets is unclear but she will approach the landowner again for clarity and will pass onto the Locality Steward if she has little success. A letter from the Accessibility Working Group has been received regarding improving Herefordshire's PROW network to enable access for all and enquiring whether there are any routes within the parish that would be suitable for access to all. It was agreed that the PROW's within the parish are not primarily circular walks and there are no suitable routes for improvement at present. Councillor May enquired whether the Parish Council should be doing more to identify lost footpaths within the parish before the 2026 deadline. The Clerk advised that the Ramblers Association have embarked on a national campaign to recover these lost ways before the deadline when no further modifications to the definitive map using documentary evidence can be considered. If interested it would be advisable to contact them direct as it is quite a lengthy process.

10. ROADS – As requested by the Parish Council the Clerk had contacted Ward Councillor Peter Jinman regarding additional funding for drainage works. He has confirmed in his monthly report that additional funds relating to drainage will be available and can be applied for in early March. The Clerk has also contacted the Locality Steward regarding certification to allow landowners to clear ditches whilst on the road. He has confirmed that to ditch properly landowners or their contractors should have a Street Works Qualification which comes with an identity card. They should also apply for a permit/licence obtained from the NRSWA TEAM or BBLP. He confirmed that ditches which are owned by the landowner should be kept clear by them. Councillors queried whether Riparian Ownership is legally correct and how far would Balfour Beatty go to enforce this? It was noted that it has been really wet since September when many leaves etc have fallen into ditches which is causing problems along with

the sheer volume of water. The Parish Council requested that the Clerk report the ditching defects to Balfour Beatty to enable them to clear the works.

The Parish Council agreed that several people do make use of the bench but it does not belong to the Parish Council. It was agreed that the Clerk would contact the local church to see if they have any record of the donation or if there is any family who would like to make a new donation to replace it.
